1.1. This WARRANTY applies to all products (PANAROOF RTK5, PANAROOF RTK SPANISH, PANAROOF RTK SINUS CORRUGATED from Polycenter S.A..

1.2. The 10-year warranty period starts from the date of the on board date of BL.

1.3. This WARRANTY only covers manufacturing defects.

1.4. This WARRANTY does not cover direct or indirect damages or losses caused by events not included in this certificate.

1.5. This WARRANTY is valid only if the sheet has been stored, handled, installed, and cleaned properly according to Polycenter S.A. recommendations provided on their website or by other means.

1.6. Technical specifications are detailed in the product's technical data sheet.

1.7. Customers must review the maintenance, handling, and installation recommendations from Polycenter S.A.. Failure to comply will void the WARRANTY.

2. CORROSION RESISTANCE

2.1. For all UPVC products from Polycenter S.A., corrosion will not occur due to the material composition.

2.2. Warranty does not cover corrosion due to improper storage, transportation, or use of products that cause physical and/or chemical changes to the sheets.

3. COLOR LOSS

3.1. The ASA coated uPVC ROOF SHEETS are guaranteed not to deviate more than 10 Delta E units from the original color over ten (10) years from the purchase date.

3.2. WARRANTY does not cover color loss due to dirt, scratches, cracks, improper installation, exposure to chemicals, or mishandling.

4. FLEXURAL AND BREAK RESISTANCE

4.1. Flexibility is guaranteed per the load specifications in the installation manual, based on recommended fixing distances.

4.2. Warranty is void if breakage results from incorrect installation or forces beyond technical specifications.

4.3. Damage from improper handling, such as rolling instead of flat transporting, is not covered.

WARRANTY CERTIFICATE

5. INSTALLATION ERRORS

5.1. Warranty does not cover mold, fungus, or condensation caused by poor design, storage, or incorrect installation.

5.2. Defects like cracks or deformations from incorrect installation are not covered.

6. WARRANTY CLAIM CONDITIONS

To validate the WARRANTY, the claimant must:

6.1. Submit a written claim to Polycenter S.A.. within 30 calendar days of the incident and within the warranty period.

6.2. Include the original proof of purchase and this certificate.

6.3. If the certificate is missing, the date on the proof of purchase will be considered.

6.4. Allow Polycenter S.A.. to perform technical evaluations. Refusal voids the WARRANTY.

7. WARRANTY EXECUTION

If the claim is accepted, Polycenter S.A.. will reimburse according to the following table:

Elapsed Time from Purchase	Reimbursement Percentage
Up to end of 3rd year	100%
End of 4th year	85%
End of 5th year	70%
End of 6th year	55%
End of 7th year	40%
End of 8th year	30%
End of 9th year	20%
End of 10th year	5%
After 10 years	0%
